

# KIELI TARTTUU LEIKITEN

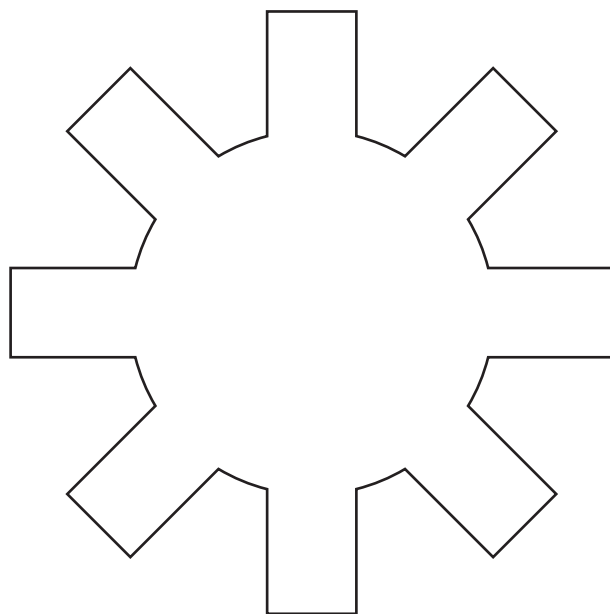

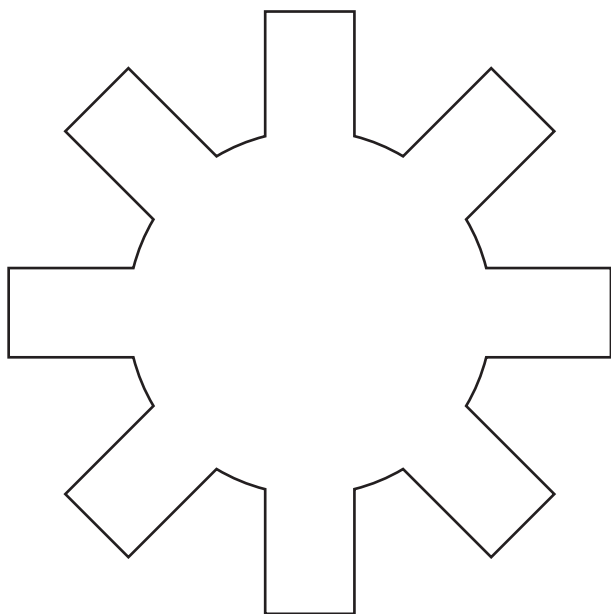

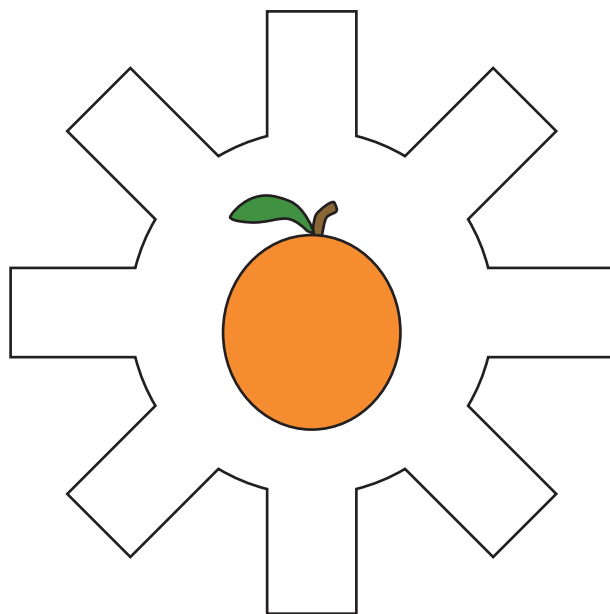

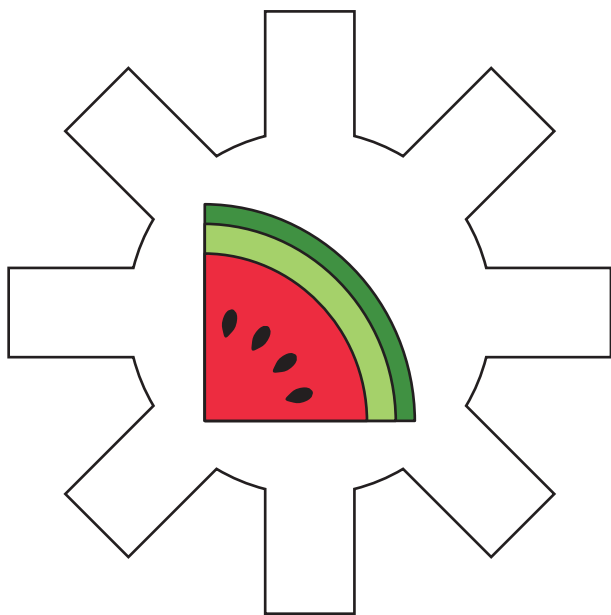

## Liitteet

Tämä lisämateriaali sisältää Kieli tarttuu leikiten -kirjan liitteitä. Liitteen 10 kuvakortteja on kahdessa koossa. Isoja kuvakortteja on helppo käyttää koko luokan kanssa toimittaessa. Pienet kuvakortit ovat tarpeen leikeissä, joissa oppilailla on käsissään kortit tai joissa kortteja käytetään parin tai pienryhmän kanssa. Pienet kuvakortit sopivat myös hyvin taikatarjottimelle. Pieniä kuvakortteja kannattaa valmistaa useampia arkkeja ryhmän oppilasmäärän mukaan.

Isot ja pienet kuvakortit kannattaa tulostaa hieman tavallista paksummalle paperille. Vaihtoehtoisesti ne voi liimata toiselle, värilliselle paperille. Näin niistä tulee hiukan tukevamat, eivätkä myöskään kuvat näy kortista läpi. Useissa leikeissä tämä on tärkeää, kuten muistipelissä ja kortin vilautusleikissä. Eri teemojen pienet kuvakortit voi liimata erivärisille taustapapereille, jolloin ne erottuvat toisistaan. Pienet leikeissä tarvittavat kuvakortit on hyvä laminoida, jotta ne kestävän useiden vuosien käyttöä. Pienten kuvakorttien säilytyksessä näppäriä ovat esimerkiksi suljettavat Minigrip-pussit.

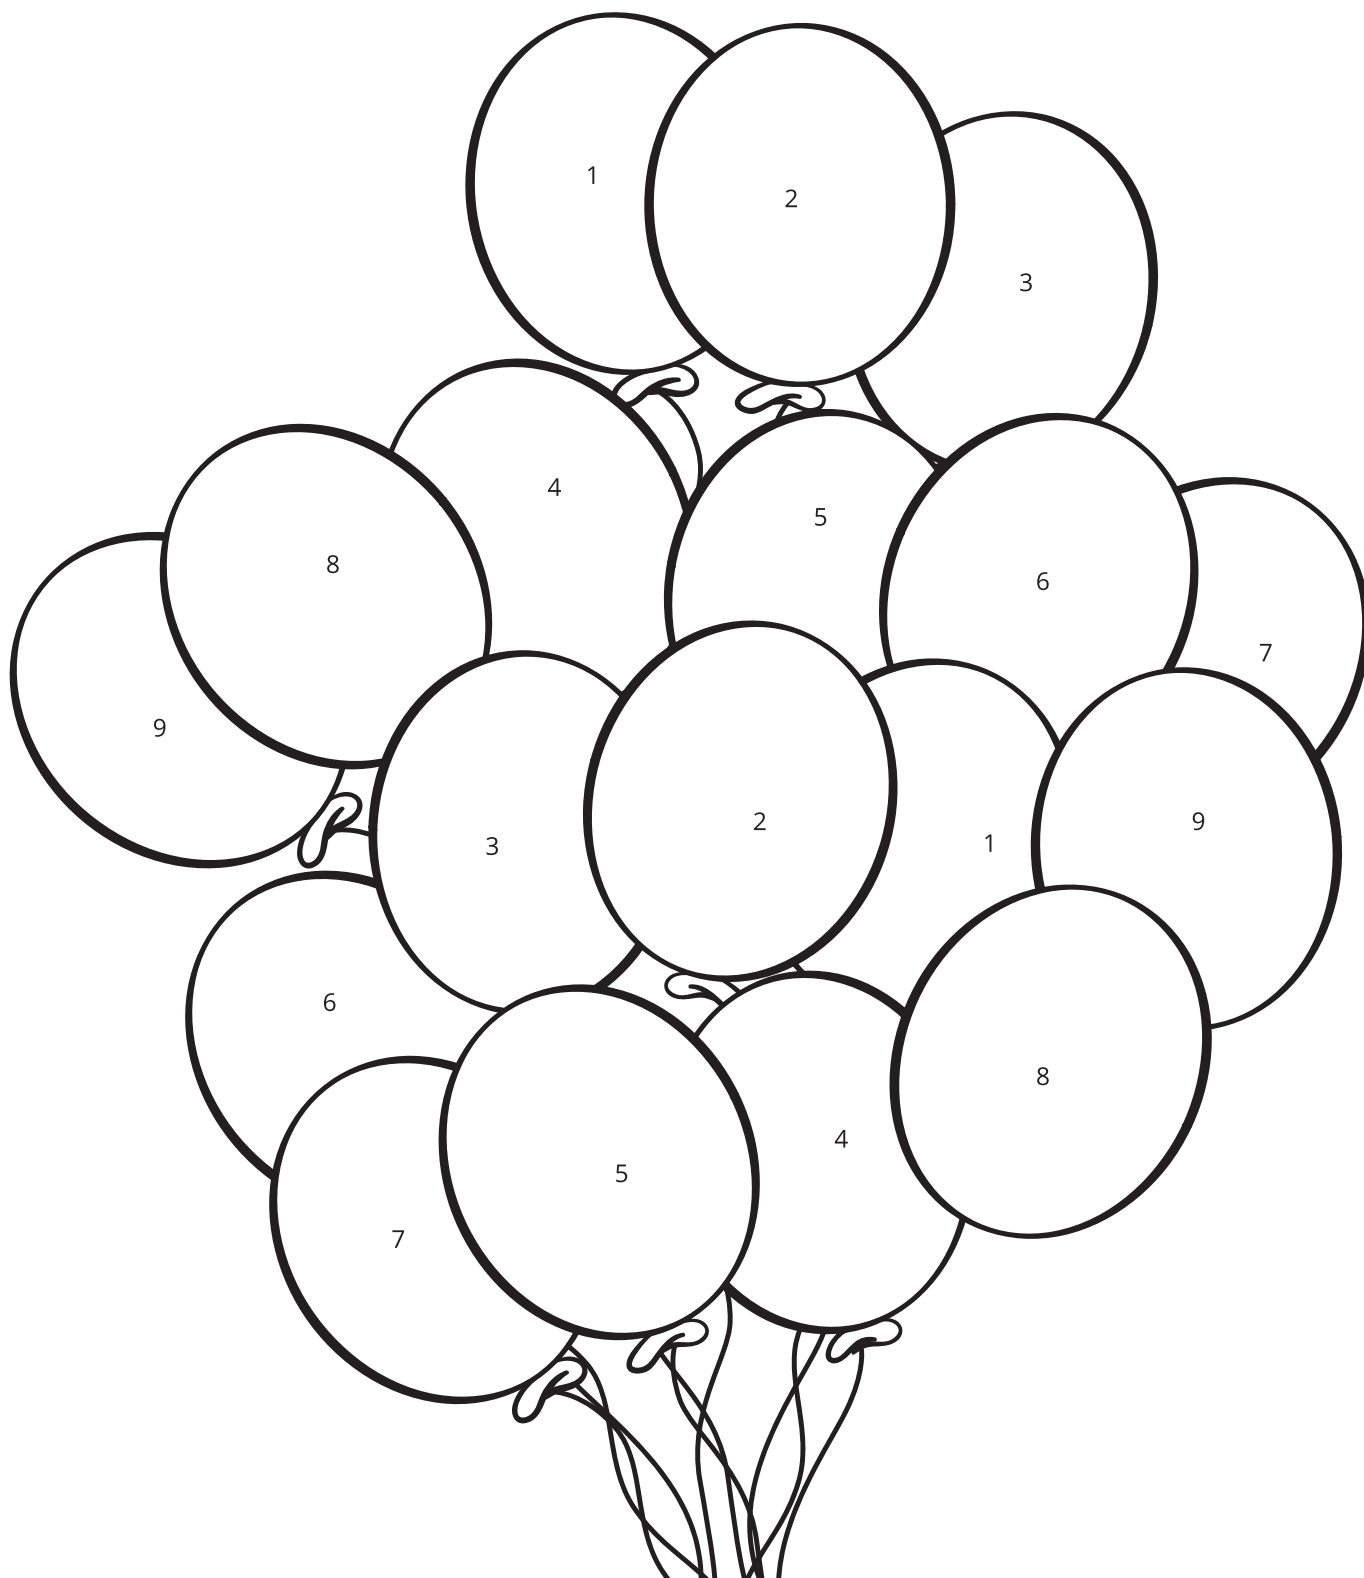

Tyhjiin ympyröihin voi halutessaan piirtää muita hedelmiä itse tai oppilaiden kanssa.
